Power.

A chas of dark is now drap for the confetorace parties of the confetorace of the After that byt we type to florence our Lorde be mecceptuli buto be: for I beleve furely that I have in bede fene an example of the Domes days. The Lowne hath yet left foure hundreth and twenty barthes to places for free.

Good Lord what a piteful cryeng and callenge bepon God was herde there. To burne a towne is not to be compared by this dolorous chaunce God our Lorde graunte but o be all his mercy! that we may by this erthouse amend and connect by to his glory and our foules belth. Amen.

Lyke earthquakes hath ben at flozence/and in all these countrepes but they have not done so gret burts save onely that they have over thrownen many channeps. This have a wapteen but o pout hast because the post could not tarp.
